

Editorial

This February, the International Program will be very busy with the waiting list agenda. We'll have a selection test for Student Exchange Program with Takamatsu University, Japan. Three international students from Papua New Guinea and Solomon Islands are joining our faculty. Two Malaysian students are coming for their Student Exchange Program. One intern from Hungary is ready to work with us. Please have this second issue of our e-Bulletin.

Takamatsu University Intake Test

As the implementation of the agreement between Faculty of Economics Takamatsu University and Faculty of Economics and Business UNSOED, on February 3rd and 4th 2015, the International Program held a test for selecting the candidates of Student Exchange Program in Takamatsu University, Japan. There are eight students sitting for the test. During the two days test, two professors from Takamatsu University are doing the assessment which is conducted fully in Japanese language. There are two types of test that are written test and interview. The written test is about the academic competency and the interview is about their Japanese language proficiency. After the very hard selection, there are two students passed the test. They are Nurul Tri Aini and Hilwa Faiza. They're going to study in Takamatsu University for two years. And after the first year study completed, they will get opportunity to do payable internship for one year. Nurul and Hilwa will fly to Japan by the end of March. *Congratulation girls.*

Visit from Hebei University, China

On February 6th 2015, two representatives of Hebei University visited Faculty of Economics and Business UNSOED. Their coming here is to renegotiate our agreement with Hebei University on the Student Exchange Program and other academic collaboration between International Program of FEB UNSOED and Hebei University.

Students from PNG & Solomon Islands Study in FEB UNSOED

This coming semester, 3 awardees of Beasiswa Unggulan (BU) from overseas have been registered as new students in FEB UNSOED. They are **Susan Gari** and **Winnierose Duwit** who come from Papua New Guinea and **Jane Bira** from Solomon Islands. The three students get full degree scholarship from our government to study management in the International Program of FEB UNSOED. Before

coming to UNSOED, they already completed an Indonesian Language course which is called “Bahasa Indonesia bagi Penutur Asing or BIPA” in Brawijaya University, Malang. This BIPA program is very important for them as international students because they need Bahasa Indonesia to communicate with the society during their next four years stay in Purwokerto. *Enjoy your study in Purwokerto girls.*

New Intern from Hungary

After the coming of Serafine last month, on February 25th 2015, Ms. Orsolya “Orsi” Mikecz, an intern from Hungary officially joined the International Program of FEB UNSOED. Orsi got her first master degree in Regional and Environmental Economics from **Corvinus University of Budapest** (Hungary) and in 2014 She got her second master degree in Public Policies and Development from **Toulouse School of Economics** (France). Her mother tongue **Hungarian**, but She speaks English, French and German as well. Orsi will be working with us for three months. She will teach some courses in this even semester under the supervision of the International Program Management. *Welcome aboard Orsi.*

Two Malaysian Girls Join Student Exchange Program

This second semester of academic year 2014/2015, there are two new International students from Malaysia joining student exchange program in the International Program FEB UNSOED. They are Nur **Sabrina** binti Kairi and Nurul **Iffah** binti Sazali from Universiti Utara Malaysia (UUM). These two students will join the exchange program until the end of this even semester. During their stay in Purwokerto, UNSOED provides free accommodation for them in Wisma UNSOED, Jl. Jatisari 21 Purwokerto. The accommodation is fully furnished with some facilities including free unlimited internet connection. For the transportation during the study here, we also provide them bicycle for free. *Have a nice study in FEB girls.*
