"The family is both the fundamental unit of society as well as the root of culture" (Marianne E. Neifert). During August and September International program welcomed other new family members of ours. We have some exchange students from Osaka International University Japan, a volunteer from Norway, and an intern from Netherland this month. September also known as the end of summer, to celebrate that, our university held a grand Summer Camp for the international students here. Professors Hiroshi Osada from Japan also came to visit us to interview our student candidates who will join our bilateral program to Japan and held public lecture for our lecturers and students. This month, we also should say goodluck to one of our staff, Mr. Pras, who went to Guangzhou China to continue his study in MBA. Last but not least, let's raise our cup and give a toss to our beloved our university for its **52nd Birthday!!!** Happy Birthday UNSOED!! Wish you all the joy and glory!!

UIS UNSOED Intercultural Summer Camp 2015

Early September, from the 1st till 7th, all of the international students of UNSOED participated the summer camp for 7 days. Students from Economics and Business Faculty who participated in the summer camp are: Suzan dan Winnie (PNG), Jane (Solomon Island), Yuichi Tokuda and Nakamura Zen (Japan), Zhang Min, Deng Hai Men, Zhao Cen, and Gao Jin Xia (China) and Nur Liyana Binti Sagi, Ainnurhadhirah Binti Abdul Samad , and Nur Shahwani Binti Arshad (Malaysia). Not only FEB students who participated, but also other international students from other

faculties and even from other universities participated in this summer camp. This summer camp was held by International Relation Office (IRO) UNSOED.

During the Summer Camp, the students were given an orientation and introduction about UNSOED and Banyumas culture, such as: Batik and Gending. The participants had opportunity to make batik and play traditional music called gending or gamelan. There were also outbound activity and tour around the city. At the end of the camp, the participants gave a presentation about their countries and performed to entertain other participants and invitees who attended the closing ceremony. All of the students said that they are satisfied with the event and they also hope that there will be another summer camp here next time. Thank you for sharing with us and with other participants from many countries. Enjoy your study in UNSOED!

Prof. Hiroshi Osada visitation to UNSOED

Prof. Hiroshi Osada from Japan came to visit FEB UNSOED from September 9th to 10th. This is his second visit to Purwokerto. The agendas of his visit are to meet and interview our student candidates who will join the student exchange program to Teikyo University Japan and give a public lecture to our students and lecturers. The topic of the public lecture was "Rise of Middle Income Class and its Impacts on Economic Growth Mechanism". The public lecture was attended by about 100 people consist of students and lecturers and took place in D Building FEB. Prof. Osada

explained how the rise of middle class can impact on the economic growth especially in Japan and China. He explained that, based on the case in Japan and China, the equitable distribution of social welfare and utilization needs of the middle class can be an export potential for the country to increase the economic growth. The participants were very enthusiastic with this lecture. It can be seen from the big number of questions asked by participants.

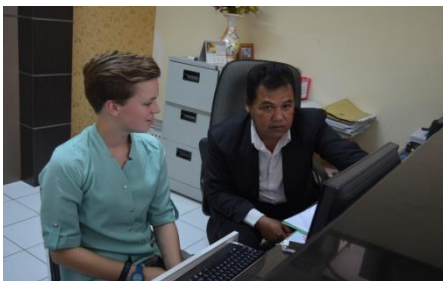

Thank you Prof. Osada for visiting and sharing knowledge with us. Also thank you to the Vice Rector 2, Dr.Nurul Anwar, for his willingness to deliver welcome speech.

New Family from Japan

This month we welcome our new students from Osaka International University. They are Yuichi Tokuda (20 years old) and Nakamura Zen (24 years old). They come here as exchange students for 6 months. Their intentions here are to learn about Indonesian economy and cultures. Indonesia gives a very good impression for them as the citizens are so nice and friendly. Hope they have good time in Indonesia, especially in UNSOED. Ganbatte!!! 頑張ってください!!

New Volunteer from Norway

On Monday, September 7th, our volunteer arrived from Norway here. Her name is Sanne Langereis (19 years old), she is a Dutch but she lives in Norway. You can meet her at the front office of International Program every Tuesday. She came to Purwokerto to do Social works for children, but she interested to attend the international program in UNSOED too. Hope she has a good time in Indonesia and interested to continues her study in our university. Welcome!! *Velkommen!!!*
