

Editorial

The New Year stands before us, like a chapter in a book, waiting to be written. We can help write that story by setting goals. Whether we want them or not, the New Year will bring new challenges; whether we seize them or not, the New Year will bring new opportunities. **Happy New Year everyone!** Now since 2016 already started, we wish you joy and happiness for this year. We started this year by finishing our first Annual Report book for 2015. At the beginning of this year we also have to say several goodbyes to our exchange students and intern. And finally, the renovation of our seminar room has been completed and ready to use this month too. We hope that we can perform better services and facilities to our students this year.

Annual Report Book 2015

Started last year, International Program published a book version of its Annual Report. The purpose of this report is to give a picture and description of the current status, activities held, and description about everything happened during the year in International Program. This Annual Report is prepared as part of International Program's commitment to value accountability and responsibility in managing a unit within organization. This report is used as documentation of what International Program

do during 2015. This Annual Report will be available to be read in International Program and FEB's library (PII). We do realize that this Annual report still far from perfection but we hope that the next annual report will be improved. We also would like to say Thank You for all the parties that contributed and supported International Program last year. We hope this year we also received as much as last year support and contribution. We also hope that this year we can perform better services to our students, faculty and university.

New Seminar Room

As the number of room needed by students to perform their final project, we decided to do some changes with room G103 to provide better facilities. The room has been renovated and divided into 2 rooms which can be use for thesis seminar, thesis examination, and comprehensive examination. The renovation started at early December and finished at the end of the month. Starting this month the room will be fully operated. We hope

that the students find it useful and comfortable. We also hope that this year we can also provide better facilities and services for the students.

January Goodbyes

“Don’t be dismayed at goodbyes. A farewell is necessary before you can meet again. And meeting again, after moments or lifetime, is certain for those who are friends – Richard Bach”. Every beginning has its ending. This month we also have to say several goodbyes to our foreign students and intern.

Goodbye Zen and Yuichi

The first ones we have to say goodbye to, were our students from Osaka International University, Japan. They already finished their student exchange program in FEB UNSOED for 1 semester. The first one to leave is Zen Nakamura. He left at January 11th followed by Yuichi at January 12th. They went to Jakarta first before having their flight at January 15th. We wish them luck and success in Japan and we hope that more students from Japan will come and join the exchange program in FEB UNSOED.

さようなら！また会いましょう！頑張ってください！

再见 (Goodbye) Our Chinese and Malaysian Students

Our Chinese students (Zhang Min, Deng Hai Men, Zhao Chen, and Gao Jinxia) and Malaysian students (Ainnurnadhirah, Nur Shahwani, and Nur Liyana) left Purwokerto at January 13th. They left to Adi Sudjipto Airport Yogyakarta and had flight from there to each country. Our Chinese students had the flight first at 11 AM, while our Malaysian students had the flight later at 2 PM. We hope that they had a good time and good memories here in Indonesia. We wish them luck and

success for everything they will do right after comeback to their country. Hope we can have the opportunity to meet again in the future! 再见! 祝你们好运!

Vaarwel (Goodbye) Pieter!

The last one we need to say goodbye to is our intern for Netherland, Pieter van Nes. Pieter already completed his internship program at FEB UNSOED for 3 months. He left Purwokerto at January 21st early morning and went to Yogyakarta for his flight. He said he had a very good time not only in UNSOED but also in Purwokerto. He is grateful that he had the opportunity to come here and meet everyone.

Now he is planning to travel around south-east Asia countries before going back to Netherland. Good luck Pieter for everything and thank you for your cooperation and contribution here. We hope that we have the opportunity to meet again someday!
