### UNSOED EXPO 2016

On 16<sup>th</sup>-20<sup>th</sup> November in Auditorium Graha Widyatama Building, our University held an event named Unsoed Expo 2016. Unsoed Expo is held in order to promote Unsoed to citizens and surroundings.

The Expo consisted of these stands: Unsoed Featured Products, Culinary, Computers and Gadgets, Multiproduct, Automotive, Archeological of Sangiran,

Property, Furniture, Education/Books, and Children Playground. All faculties in Unsoed also had chances to open stand in Unsoed Expo along with the Non Faculty Stand, such as RSGMP, UPT Perpustakaan, and UPT Kearsipan.

The last day of Unsoed Expo was closed by the announcement of the winner of High School Singing Competition, Student Creativity Contest, Faculty Stand and Non Faculty Stand.

### School Visits

International Program has a special program named School Visits. Our activity is visiting some schools around Purwokerto and surroundings to promote the International Program of FEB Unsoed to public. The main targeted students are third-year students in High Schools and Junior High Schools. In this occasion, the chosen schools were SMK Bina Teknologi Purwokerto and SMP Negeri 2 Purwokerto. The speaker who visited SMK Bina Teknologi Purwokerto was Ms. Eva a.k.a

Ewelina Szydłowska, and the speaker who visited SMP Negeri 2 Purwokerto was Ms. Erika a.k.a Erika Carcache. Both of them presented the culture of their own nation and also introduced our International Program to the students.

We hope from these promotional activities, the International Program becomes more popular in the future by citizens of Purwokerto and surroundings.
