“You can talk with someone for years, everyday, and still, it won't mean as much as what you can have when you sit in front of someone, not saying a word, yet you feel that person with your heart, you feel like you have known the person for forever.... connections are made with the heart, not the tongue.”

— C. JoyBell C. Happy February everyone! February is identic with Valentine, where people around the world celebrate and spread affection to the loved ones. This month, International program also shared more affection by welcoming our new exchange students from Malaysia. Prof Maruyama also came to visit our program this month. Last but not least, we wanted to congratulate our 23 students of International Program who will join the March graduation!
