The total number of students who applied was 57 students; 18 from Economic Development, 20 from Management, and 19 from Accounting. Good luck for all of them and hope we can hear students' story from abroad soon.

New Foreign Intern Candidates

After our last foreign intern, Mr. Edwin Mensah, we already received the next candidates for foreign internship program. Due to the big number of applicants, this period we accept 3 interns. They will start their internship program from the middle of September and will be with us for 3 months. Two of the interns are from Poland and the other one is from

Columbia. The excitement of having experience abroad increased the enthusiasts of the internship. A lot of people abroad also being interested in south-east Asia countries, especially Indonesia since the cultural diversities we owned. International experience is a very important value added nowadays. Working or Studying in another country forces you to step outside your comfort zone, which opens up opportunities to develop new skills and have new experiences. You will improve your communication skills, build a global network, find fresh idea by seeing other cultures, gain a competitive edge on your cv, and also learn to respect people more. International experience delivers you to a new world outside your gate which may open your mind about seeing thing from other perspectives.

So why not going abroad?

Welcome Back Mr. Pras

Mr. Prasetyo Heru Saptono has finished his study in China this month. He went to China last year and joined 1 year master program from Chinese government. He will be join us back here in International Program starting from August.

Congratulation Mr. Pras for gaining your MBA degree and Welcome back!!

祝贺为你的毕业！
