“Hiduplah Indonesia Raya”

If we want to become a great Nation, want to be a nation that has the will to work, it is also necessary to have imagination! (*Speech Excerpts from Soekarno, Semarang: July 1956*). August in Indonesia is identical by the Independence Day. Today Indonesia is already 71 years old. The International Program started new academic year. Absolutely we have a new spirit and motivation to reform our performance to make International Program better.

Welcome to Universitas Jenderal Soedirman

After celebrating our Indonesia's Independence Anniversary on August 17th 2016, Universitas Jenderal Soedirman has a new color by the presence of fresh students. The new students are very excited to undergo a series of events held at the Economics and Business Faculty. All stakeholders including lecturers participated in that welcoming fresh students' occasion. *Welcome on board guys !*

Work Experience in International Office

There's now a new opportunity for International Program students of Economics and Business Faculty to get working experience among the international atmosphere. Started from August 15th 2016, Amelya Husen and Irawan Randikaparsa started their internship program in International Program office. As interns, they got responsibility to maintain international program website and also giving assistance to the international students who are doing their exchange program in FEB.

Mr. Agung Praptapa, the Director of International Program FEB said “We need young people to contribute their ideas for International Program because they have many fresh ideas to improve the quality of International Program”.

NI HAO MA ?

Ni Hao!!! hey hey hey we have good news for International Program, 5 students from Hebei University are coming here to join the exchange program for one semester. They are Ani (An shuang), Star (Wang Yongqin), April (Sun Yue), Alisa (Shi Qiuping), and Amber (Qi Huiming). On Friday, August 19th 2016 they safely landed in Soekarno Hatta Airport then continue the trip to Purwokerto. We sent our staff Mr. Heru to pick them up in Jakarta. They received a warm welcome during their first visit in Indonesia. Here in the International Program of Economics and Business Faculty, they will join some classes with local student and other International Students from Papua, Solomon, Malaysia and also Thailand. *Enjoy your study in UNSOED girls !*

Yudisium

One of the routine academic activities conducted by the Economics and Business Faculty is Yudisium. Yudisium is intended for all students who had completed his studies at Universitas Jenderal Soedirman. It's a compulsory for them to attend that Yudisium before they are allowed to join the graduation ceremony. This month, Yudisium is held on Thursday, August 25th 2016. Students from the International Program also attended this program. There are 18 students from Management Department, 12 students of Accounting Department, and 9 students from Economics Development Department. Those 39 students will be in the graduation ceremony on September 20th 2016. **Congratulation guys! All the best for your future!**

New Experience with AIESEC

Hey guys... Our friends from Management Department badge 2015 is coming back to our beloved campus. Mohammad Fathon Pramuka just finished his 6 weeks program with AIESEC in Turkey. During his stay in Turkey, Fathon got a lot of new experiences. He taught elementary students in Turkey. He also got chances to visit many places in Turkey. *Well done mate*
