“Education is not the learning of facts, but the training of the mind to think.” – Albert Einstein

Hello again friends! While you are enjoying your holiday, we are here to bring you good news about our beloved International Program. Prepare your mind, and snack of course. Let’s see the news!

Exchange Students 2017 from Malaysia

On 20th February 2017, two interns from International Program picked up 6 exchange students from Malaysia in Wisma Unsoed (who arrived the night before) to go to campus by riding bicycle. The six exchange students are Soo Yin Yi (Wai), Tan

Zher Wei (Wei), Nur Syazwani Binti Abd. Rahim (Wani), Iylia Amira Binti Rosli (Iylia), Nur Athirah Binti Johari (Athirah), and Ummi Wardah Binti Md Zahir (Ummi).

Arrived in campus, we had breakfast at Roedhiro Cafeteria then accompanied them to look around campus by walking, started from Building A to the Student Activity Center and ended up in Building G. After that, we escort them to get back to Wisma Unsoed. Enjoy your time in UNSOED guys.

New Interns in International Program

We have two new interns in International Program, they are Hilarius Destya Widhisantosa and Jasmine Fitriandi Putri. They will help us in International Program for about two and a half months. They are selected as the candidates of Teikyo Asia Exchange Program (TAEP) 2017. The

purpose of their internship is to give them experience in interacting and working with International Students.
